Community of Practice Supports for Reflecting on Learning

These materials were designed to help you and your colleagues reflect on the learning on-going in your class with the purpose of sharing practice. This can be used in relation to discussions around the use of digital technologies.

Examples from the [NCCA Coding in Primary Schools Initiative](#)

Describe the Task

What knowledge did you want your students to learn from engaging with the task?

How did you manage the task in your class?

Outline a typical interpretation of the task?

Outline an interesting interpretation of the task

How did you progress the learning?
